RECEIVED

PUBLIC NOTICE OF HEARING ON **ARIZONA PUBLIC SERVICE COMPANY'S** **REQUEST FOR AN INTERIM RATE INCREASE** **(DOCKET NO. E-01345A-08-0172)**

On June 6, 2008, Arizona Public Service ("APS" or "Company") filed with the Arizona Corporation Commission ("Commission") a Motion for Approval of Interim Rates and Preliminary Order ("Motion"). In its Motion, APS requested the Commission approve an "Interim Base Rate Surcharge" ("Interim Rate") of approximately \$115 million annually, or \$.003987 per kWh. The Interim Rate would be equal to the \$.003987 per kWh 2007 Power Supply Adjustor charge granted in Decision No. 69663 (June 28, 2007) which expires after the last billing cycle in July, 2008. The Interim Rate would be subject to refund and represents a portion of the permanent rate increase requested by the Company on June 2, 2008. The Commission's Utilities Division ("Staff") is in the process of reviewing the requested Interim Rate increase and has not yet made a recommendation regarding APS' request. The Commission is not bound by the proposals made by APS, Staff, or any intervenors. The Commission will issue a Decision regarding APS' request for Interim Rates following consideration of testimony and evidence presented at an evidentiary hearing.

How You Can View or Obtain a Copy of the Rate Proposal

Copies of the Interim Rate request are available at APS' office at 400 N. 5th Street, Phoenix, Arizona (602-250-2767) and the Commission's offices at 1200 West Washington Street, Phoenix, Arizona, for public inspection during regular business hours and on the internet via the Commission website (www.azcc.gov) using the e-docket function.

Public Comment and Hearing Information

The Commission will hold a **public comment session** to hear public comments on this matter on **September 11, 2008 at 2:00 p.m.** and will hold the **evidentiary hearing** on this matter beginning **September 15, 2008, at 10:00 a.m.** at the Commission's offices, 1200 West Washington Street, Phoenix, Arizona. Public comments will be also be taken on the first day of the hearing. Written public comments may be submitted via email (visit <http://www.azcc.gov/divisions/utilities/forms/publiccomment.pdf> for instructions), or by mailing a letter referencing Docket Number E-01345A-08-0172 to: Arizona Corporation Commission, Consumer Services Section, 1200 West Washington Street, Phoenix, Arizona 85007.

Intervention

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you would like to intervene, you must file a written motion to intervene and 13 copies with the Commission, and you must send copies of the motion to the Company or its counsel, and to all parties of record in the case. Your motion to intervene must contain the following:

1. Your name, address, and telephone number, and the name, address and telephone number of any party upon whom documents are to be served in your place, if desired;
2. A short statement of your interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, etc.); and
3. A statement certifying that a copy of your motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that in order to participate in the hearing or the request for Interim Rates, all motions to intervene must be filed on or before August 29, 2008. If representation by counsel is required by Rule 31 of the Rules of the Arizona Supreme Court, intervention will be conditioned upon the intervenor obtaining counsel. For information about requesting intervention, visit the Commission's website at <http://www.azcc.gov/divisions/utilities/forms/intervenor.pdf>. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any person or entity from appearing at the public comment session or the evidentiary hearing and making a statement on their own behalf.

If you have any questions about this Interim Rate request, you may contact APS at 602-250-2767. If you want further information on intervention or how to make public comment, you may contact the Consumer Services Section of the Commission at 1200 W. Washington Street, Phoenix, Arizona 85007, or call 1-800-222-7000.
